Kensington Lions Club

7/10/23

Logistics Plus of Buffalo is proud to present the **47th Annual Kensington Lions All-Star High School Football Classic!**

The game will be played on Friday, July 28th at 7:00 pm at the Coyer Field – Buffalo State University, located at 801 Grant Street, Buffalo. Free parking is available in multiple lots, as designated.

It is through the commitment of Kensington Lions Club members, numerous game alumni, the WNY football community, and friends of the game, that we are able to present this showcase of local, talented players. The game will be supported by North and South All-Star Cheer squads.

This year, we're also presenting the **1st Annual Girls All-Star Flag Football Game**. This new Section VI spring sport has seen enormous popularity. The game will be held at 5:30 pm at Coyer Field, prior to the boys' game.

Once again, the Erie County Fair All Star Band, presented by Pepsi, will entertain spectators at halftime of the boys game.

The All-Star Classic, founded in 1976, seeks to highlight the talents and athletic ability of outstanding amateur athletes from WNY high schools. It is also the major fund-raiser for the Kensington Lions Club, enabling us to help many worthwhile charities and individuals with health conditions or impairments. The games feature recently graduated high school football and flag football players, as well as football cheerleaders.

Through last year's game proceeds, the Kensington Lions Club was able to again grant \$10,000 to Kids Escaping Drugs. Additionally, the Milt Dickerson Memorial Leadership Award, a \$1,000 scholarship, was awarded to Ava Trzepacz, a student from Iroquois High School, for her commitment to leading high school students to make the right choices regarding drug use.

Due to a shortage of athletic trainers, boys and girls will practice at the same location, on a split field setup.

All **North** (boys and girls) practices will be held at St. Joe's Collegiate Institute –845 Kenmore Ave., Buffalo
