CONGRATULATIONS TO ALL ATHLETES!

www.adprosports.com | 716.854.5116 | 55 Amherst Villa Rd. | Buffalo, NY 14225

Welcome!

The Kensington Lions Club welcomes you to tonight's 2023 Western New York All-Star Football Classic, presented by Logistics Plus of Buffalo.

We're pleased to also present the 1st Annual All-Star Girls Flag Football Game. This contest is presented by Kapanek Wealth Partners. In this doubleheader, enjoy some of the area's best high school football players, as well as All-Star cheerleaders. The Kensington Lions Club gratefully acknowledges the dedication of the all-star players, their parents, the coaches, officials, and all the game sponsors throughout the years. The WNY community is a better place due to their efforts and generosity.

In 2002, the Kensington Lions Club formed a partnership with Kids Escaping Drugs. KED is a

charitable organization that is dedicated to helping the youth of our community with substance abuse problems. Annually, the Kensington Lions Club

has committed to donate a percentage of the game's profits to this most worthwhile program. The Kensington Lions are proud of the fact that from the profits of the 2022 game, we were able to donate \$10,000 to the KED programs. We are indeed hopeful that our donations will continue to grow each year. To date, we have donated in excess of \$220,000 to Kids Escaping Drugs.

Please contact your local Lions Club to find out how you can make a difference.

Honoring Carl Kuras: The Man Who Left a Lasting Legacy on and off the Football Field

Carl Kuras was an esteemed coach, educator, administrator, mentor, and devoted family man. His passion for the game of football was instilled in him from an early age, thanks to the influence of his father, Carl Sr., who had played semi-professionally for the Buffalo Bills.

Having graduated from Lancaster High School in 1965, Carl stood out as a remarkable athlete, earning the recognition as ECIC and Courier Express All-Star at both the running back and defensive back positions. In 1963, he was honored with the prestigious Tomahawk Award, a testament to his reputation as the team's most ferocious hitter. Following his high school journey, Carl enrolled at Brockport University, where he continued to pursue his football career while working towards his Bachelor of Science degree, which he achieved in 1969. Subsequently, he obtained a master's degree in education.

Even after his college years, Carl continued his football career, playing for various semi-professional teams such as the Lackawanna Lancers, London Lords, and Rochester Wolves.

Carl Kuras, 1946-2023

In 1970, he joined the teaching staff at Cleveland Hill High School, assuming the role of a football coach two years later in 1972. Initially coaching the freshman team, Carl eventually became a member of the varsity staff from 1978 until 1995. He also coached track and field and never lost a meet. In 1985 he started the Western New York Powerlifting Championships. Additionally, he served as Cleveland Hill's athletic director from 1989 until 2001, when he retired.

Carl's exceptional ability to connect with students and athletes alike endeared him to the Golden Eagle community. As a testament to his tremendous impact, Cleveland Hill honored him in 2010 by naming its athletic complex and football field after him.

Despite retiring, Carl's love for the game never waned. He continued to contribute as an assistant for Cleveland Hill football and, in 2003, he co-founded the Trench Trophy alongside Len Kuhn. This prestigious award recognized the top lineman in Western New York, highlighting a position often overlooked by other awards. As the driving force behind the organization, Carl played an instrumental role in its growth, elevating its reach and influence within the community.

A firm believer in giving back to his community and effecting positive social change, he remained actively involved in numerous organizations, including the Lancaster Elks Lodge, where he served as a Trustee and, until recently, as the lodge manager. Carl was also a proud member of the Fraternal Order of Eagles and Kensington Lions.

Today, as we reflect on Carl's remarkable life, we find solace in knowing that he leaves behind a legacy of love and impact. Carl is survived by his beloved wife Dorothy, their children Kelly and Chad, as well as four adored grandchildren. Additionally, his positive influence extends to his extended family, friends, and countless others who have had the privilege of crossing paths with this extraordinary man.

"WIN AWARD" (formerly the Spirit Award)

The Win Award (formerly the Spirit Award) is an honor given to the player that demonstrates the most spirit during the course of the Lions/ADPRO Sports All-Star High School Football Game. The award is named in honor of Marine Lance Cpl Tim Serwinowski. Tim's life was tragically cut short when he fell to a sniper's bullet in the Holmand Province in Afghanistan on June 21, 2010. Tim was a 2007 graduate of North Tonawanda High School and a four year player in their football program. The N.T. coaches gave him the nickname "Win" due to his extreme hard work on and off the playing field. The "Win Award" is presented annually on behalf of the Kensington Lions/ADPRO sports Western New York All-Star High School Football Classic and is presented by the Ilio DiPaolo Scholarship Fund.

The players should possess the following qualities: a positive and high-spirited attitude, team work, dependability, together with the ability to impart a winning attitude on his teammates. These personal characteristics were possessed by Marine Lance Corporal Tim Serwinowski.

The Kensington Lions Club All-Star High School Football Classic's Most Valuable Players.

The MVP's committee each year selects three players from each team. The players are selected based on their overall contribution to their team's efforts. The performance categories are offense, defense and offensive lineman. These players are acknowledged immediately following the game and a trophy presentation is made on the field to each of the most valuable players for their outstanding individual effort on behalf of their team.
