CONGRATULATIONS TO ALL ATHLETES!

Welcome!

The Kensington Lions Club welcomes you to tonight's 2024 Western New York All-Star Football Classic, presented by Logistics Plus of Buffalo.

We're pleased to also present the 2nd Annual All-Star Girls Flag Football Game. This contest is presented by Kapanek Wealth Partners. In this double-header, enjoy some of the area's best high school football players, as well as All-Star cheerleaders.

The Kensington Lions Club gratefully acknowledges the dedication of the all-star players, their parents, the coaches, officials, and all the game sponsors throughout the years. The WNY community is a better place due to their efforts and generosity.

In 2002, the Kensington Lions Club formed a partnership with Kids Escaping Drugs. KED is a charitable organization that is dedicated to helping the youth of our community with substance abuse problems.

Annually, the Kensington Lions Club has committed to donate a percentage of the game's profits to this most worthwhile program. The Kensington Lions are proud of the fact that from the profits of the 2023 game, we were able to donate \$10,000 to the KED programs. We are indeed hopeful that our donations will continue to grow each year. To date, we have donated in excess of \$230,000 to Kids Escaping Drugs.

Please contact your local Lions Club to find out how you can make a difference.

"WIN AWARD" (formerly the Spirit Award)

The Win Award (formerly the Spirit Award) is an honor given to the player that demonstrates the most spirit during the course of the Lions/ADPRO Sports All-Star High School Football Game. **The award is named in honor of Marine Lance Cpl Tim Serwinowski.** Tim's life was tragically cut short when he fell to a sniper's bullet in the Holmand Province in Afghanistan on June 21, 2010. Tim was a 2007 graduate of North Tonawanda High School and a four year player in their football program. The N.T. coaches gave him the nickname "Win" due to his extreme hard work on and off the playing field. The "Win Award" is presented annually on behalf of the Kensington Lions/ADPRO sports Western New York All-Star High School Football Classic and is presented by the Ilio DiPaolo Scholarship Fund.

The "Win" Award honors a player from each team who has impressed the coaches during the 7 day training camp.

The players should possess the following qualities: a positive and high-spirited attitude, team work, dependability, together with the ability to impart a winning attitude on his teammates. These personal characteristics were possessed by Marine Lance Corporal Tim Serwinowski.

The Kensington Lions Club All-Star High School Football Classic's Most Valuable Players.

The MVP's committee each year selects three players from each team. The players are selected based on their overall contribution to their team's efforts. The performance categories are offense, defense and offensive lineman. These players are acknowledged immediately following the game and a trophy presentation is made on the field to each of the most valuable players for their outstanding individual effort on behalf of their team.
